Vision of the Department
To provide best education in Mechanical Engineering and technology to the aspirants and serve the nation through development of innovative human asset.

Mission of the Department
M1: To make the department of mechanical engineering a preferable destination for Aspiring students
M2: To provide quality technical education using modern tools in the field of mechanical engineering.
M3: To create competent and skilled mechanical engineers who are able to handle mechanical and Allied systems
M4: Cultivate and nurture the spirit of entrepreneurship among students.
