Vision of the Department

To provide best education in Mechanical Engineering and Technology to the aspirants and serve the nation through developments of scientific, creative, trustworthy human asset.

Mission of the Department

1. To make the department of mechanical engineering a preferable destination for Aspiring students.
2. To provide quality technical education using modern tools in the field of Mechanical Engineering.
3. To create competent and skilled mechanical engineers who are able to handle Mechanical and Allied systems.
4. Cultivate and nurture the spirit of entrepreneurship among students.
